SGL Weekly Newsletter – 29th May 2009

Did you miss me? I've been resting on my journo laurels while Gillo has taken up the slack. Thanks lady!
I'm overwhelmed with things to put in this week so eyes down and get reading.

First up, **Bill Niko Cup**

Congrats to the Wombats who came back from certain defeat to snatch victory (but for this round only!).

Best wishes and speedy recovery to James Croke who got a bad knock on the day.

Thanks to all the Lions, Lionesses and Cubs who played & supported and can we see more of that on June 13th for the re-match? The Wombats did a great job and had tons of support match-side and at the table-quiz in Uluru.

Does anyone have any photos of Round One?
Lash them over to neil@singaporewombats.com

Rematch will be June 13th at SCC Pitch in Dempsey (our new training ground for those unfamiliar) with one of the best darn social nights EVAH at *BQ Bar* afterwards.

We've got the excitement and the drama of Cup Presentation, we've got the highs and lows of an 80's night extravaganza – I'm expecting costumes people! Better yet, we've got the dips and thrills of a bidding war in our Slave Auction..... The gory details will be sent out to you next week so plenty of time to organise your consortiums.

Coup d'Etat

With Cap'n Ca stepping down and Claire Dinsmore filling the vacuum at the top, we'd like to say thanks very much to Mrs. O'Callaghan for all her hard work over the past year and a half. Ya Legend.

Does this make the Dinsmore/Smiths *THE* Power Couple of SGL?
Looking forward to working under the new regime already!

Contact Gillian or Anne-Marie if you haven't yet gotten your card. Ms. Hayes was out wandering with them all day Saturday.

Busy Busy Busy

Molly's are up the walls with events this week – *Friday 29th is Final Friday Rock Out* with The Malones. Starting at 9:30pm Julian O'Connell is guesting in on bass with his pal Skip in from Macau to have the craic.

As if that wasn't madness enough, the CBD SGL-ers are now popping in for a proper lunch chow-down on Fridays. Looking to make this a regular occurrence, it'll be a great way to kick start the weekend.

Don't forget that with the *Membership Card* you can get fab *DISCOUNTS* both in Molly's and BQ with Happy Hour prices on Housepours, Heineken bottles, Guinness, Magners and All Food.

Gosh we're good to ye!

When Chuck Norris goes to sleep every night, he checks his wardrobe for Claire Dinsmore.....

This week we've got Fitness Test with Cap'n Claire threatening to publish results...

It was great craic last time and we have it provisionally booked for 20 players and can increase this so its an open invitation. If you are interested please send the following details to matthewgallagher1978@gmail.com

Name (Yours)

Date of birth (on your passport)

Passport number (nothing smart here)

Expiry date (again your passport and not when you expect to expire)

Handicap (a number and not your swing, your clubs or your looks)

Plus he went on and on and on and on about there being NO POKER THE NIGHT BEFORE. Considering the state they get themselves into (as well as the Jacuzzi) that might be a good rule for life.

You there! Identify yourself!

Great to see loads of new faces at training and at the socials. We're a more the merrier kind of club with room for all levels and abilities so if you've got pals with nothing to do, bring them along. In particular, the Ladies Team are on the look-out for goalies with a decent boot on them but all squads love fresh blood.

Can you see straight?

Inspector Mark Clouseau found a contact case with lenses after Round One of the Bill Niko last week. Granted, if you've lost them you possibly can't read this properly but maybe a friend would be nice enough to mail marticrosbie@yahoo.com on your behalf.

Homeless seeks similar

Aidan has asked us to mention that a pal of his (23 & from Kerry) is landing over on the 6th of June and is looking to share accommodation. Anyone looking for a roomie?

The nicest part of this job is the weekly **Congrats** bits I get to do..

Ladies, bad news. Mark Gailey is now officially taken! Well done on getting down on bended knee..

More of the same - the Mulaghers are finally turning legit. Matt Gallagher and Alison Muldowney are currently in Spain to do the decent thing. Best of luck to Mr & Mrs in their new life together. Will publish photos of Niall Fagan in his Man From Del Monte suit next week..

Lastly, big fat wallop Happy Birthday wishes to the hardest working PRO in Singapore, Ms. Gillian Hayes who had her big day on the 27th.

I've no pictures to make it look all pretty this week. Boo. Keep them coming people.

This weekend I am mostly lying low. Y'all have good ones.

Later,

BowLAH
