## **SGL Weekly Newsletter – 13<sup>th</sup> Oct 2009**

Some people in this company seem to think I am actually here to do work. Down with that sort of thing!! Anyway, as a result, this is (a) late and (b) lacking in content and effort.

Big thanks for Dirty Nelly's for hosting the awards night last night. My good friend, facebook, tells me that there are quite a few of us still in recovery and one heat seeking missile still MIA. I am firmly back on the horse after the festivities and soba noodle is a distant memory. I just can't really understand how I managed without jaegerbombs for so long...

Congrats to all the award winners and to our favourite gold lady who was this year's recipient of the Bill Nikolopoulos Award. Also, speaking of Mel, I nearly wet myself during that DVD – I assume that was the desired effect, so good work!

**Mel is all her golden glory!!**

**Christmas Party!!**

For fear your livers might have any false illusions of recovery... we're planning a Christmas party at Muddy's for Saturday 12<sup>th</sup> Dec, so stick it in the diaries.

## **Gulf Games - Dubai**

Plenty more trophies to be won, jager to be bombed, inspirational team songs to be composed...

There are plenty of flight options – best prices seem to be on Air Asia (through KL to Abu Dhabi) and Qatar airways, so sort it out. Men - confirm with Ronan Lenihan and Ken Savage. Girls – let Claire and Blá know when you're booked.

## **Fitness Training**

Our favourite weekly torture is back in action! Fitness training from men and ladies every Thursday at 7:30. Do it!!

## **And finally...**

Happy birthday to Aidan and Kieran!!

Think that's it for the moment, although I'm sure I've forgotten something, so apologies to whoever's newsletter request(s) I have ignored – nothing personal! I will be resting up this weekend & hiding away from all you bad influences.

COME ON YOU BOYS IN GREEN!!!

Check out this link – hilarious...
