Each of the runners has committed to raising pledges via Sponsorship Cards in our effort to raise a target of S\$10,000 for SSO. They will do so through their own families, friends, work colleagues, etc. We will try going to you, the club members individually for sponsorship.

Your input: So, obviously we want to involve all the non-runners in the SGL Charity Fundraiser so we will ask you to support & sponsor the entire group once only. Hopefully you will just need to make one pledge to the fund and then will be left in eternal peace.

To make your once-off donation, just contact Tracy by email. Go on, you know you want to....

Singapore Gaelic Lions Habitat For Humanity Build:

Batam Habitat Build Project

We are still looking for 7 volunteers to participate in the Habitat Build on Saturday, 24 November. We will depart for Batam at 7:55am and return to Singapore by 18:20 on the same day. Please contact Tracy Clemmer (tracy_clemmer@yahoo.com) if you are interested or for more information.

Habitat for Humanity is a non-profit organization which seeks to eliminate poverty housing and homelessness from the world, and to make decent shelter a matter of conscience and action. Through volunteer labour and donations of money and materials, Habitat builds and rehabilitates simple, decent houses with the help of the homeowner (partner) families. Habitat houses are sold to partner families at no profit, financed with affordable, no-interest loans. The homeowners' monthly mortgage payments are used to build still more Habitat houses. More information is available at: www.habitat.org.sg
